Dear Karin WAGEMANN, Chantal ZIMMER-Leflere, Markus WAGEMANN, Klaus von STOSCH,

Dear friends, Ladies and Gentlemen

Dear fiends,Ladies and Gentlemen,

We are very glad to address you our warm salutation and give you some news on behalf of Christian Community of Bishyiga Parish and in our names. Peace of God be with !

Days have passed without any news from neither side!

We were so busy last days that we couldn't get any opportunity to write a message. In Bishyiga we were preparing the ordination which took place the last Saturday 15th July 2023 in Bishyiga.

In fact, we got two new priests Father Jean Damascene MUKESHIMANA and Father Samuel NDAYIZEYE. One deacon was also ordained. On Monday the new Father Jean Damascene celebrated the Mass of Thanks Giving , commonly called the Mass of Premices. The Mass and the ceremonies of ordination were presided by Bishop C  lestin HAKIZIMANA in presence of Vicary General Eugene DUSHIMURUKUNDO and more than 40 priests , Deacons, numerous nuns and senior seminarists.

In the ceremonices of the day we had different important personalities including the Mayor of Nyaruguru District , two vice-mayors of Nyamagabe District.

A lot of laic Christians from different parishes were also present.

We had so many guests. We had more than five thousand people in the reception. It was great feast!

Talking about the weather, the Summer is not too hot as it was used to be during these days.

What is the news in Bonn and how is the weather?

Before concluding this short letter, we would like to say that we will be honoured to receive the guests from Bonn, Chantal Zimmer –Leflere, Karine and Markus in the coming days . We hope you will keep us update.

Best regards and Lord watch over you all!
